

His Message of Love

"I have come to light the lamp of love in your hearts, to see that it shines day by day with added lustre; I have not come on any mission of publicity for any sect or creed or cause; nor have come to collect flowers for any doctrine.

I have come to tell you of the Universal Unitary Faith, this Path of Love, this Duty of Love, this obligation to Love.

Believe that all hearts are motivated by the One and only God, that all faiths glorify the One and only God, that all Names in all languages and all Forms man can conceive, denote by means of Love.

Cultivate that attitude of Oneness between people of all creeds, all countries and all continents. That is the message I bring."

His Mission

Sai has come in order to achieve the Supreme task of uniting as one family all mankind, through the bond of brotherhood; of affirming and illumining the Atmic reality of each being in order to reveal the divine.

This is the basis on which the entire cosmos rests; and of instructing all to recognise the common divine heritage that binds man to man, so that man can rid himself of the animal qualities, and rise into divinity which is his goal.

Sathya Sai Baba has established hospitals, elementary and secondary schools, colleges, a major university and drinking water project for about 1.25 million people in India. These institutions/ projects provide services without charge.

There are thousands of centres around the world in 137 countries whose members practise His spiritual teaching and engage in a variety of community service activities.
