

The Ten-fold Path to Divinity

1. Love and serve your Motherland; do not hate the Motherland of others.
2. Honour every Religion; each is a pathway to the One God.
3. Love all men without distinction; know that mankind is a single community.
4. Keep your homes and surroundings clean; this will ensure health and happiness for you and for society.
5. Practise charity to those in need, but do not encourage laziness.
6. Do not tempt others by offering bribes or demean yourself by accepting bribes (never give in corruption).
7. Do not develop jealousy, hatred or envy on any account.
8. Try and do as much as possible yourself. Do not continually depend on others. Be self-reliant.
9. Have love for God and fear of sin.
10. Never go against the laws of the Land; be an exemplary citizen.
